# YURIY POCHTIENNYKH

## Junior Fullstack Developer

### SUMMARY

As a junior front-end developer, I am passionate about creating visually appealing and user-friendly websites. I am eager to learn new technologies and best practices in web development, and am excited to contribute my skills to a dynamic team that values creativity, collaboration, and innovation. With strong attention to detail and problem-solving skills, I am committed to delivering high-quality work that meets both client and user needs.
